

Aiken Group completes £4.6 million contract

Aberdeen-based Aiken Group has just completed a contract worth £4.6 million on a North Sea platform.

The deal with Wood Group PSN on Total's Elgin PUQ platform involved accommodation upgrade work on four levels of the main accommodation block (PUQ) and hook-up work on four levels of the new modular constructed recreation block (ALQ).

The 24-year-old Aiken Group is headquartered on Crombie Road in Aberdeen, employs 50 staff at its headquarters, plus around 100 contractors worldwide, and plans are in

the pipeline to set up premises in Dubai to service a growing client base in and around the Middle East. Key areas of growth in UK and global markets include offshore accommodation upgrades, E & I, HVAC and refrigeration, integrity testing and facilities management business.

Aiken Group managing director Danny Donald said: "We are delighted to complete this contract which further enhances our reputation as market leaders in our industry." For further information, visit stand 4E210, log on to www.aikengroup.com or call (01224) 244300.

Your Oil and Gas News website proves a success

Alastair Caithness, manager of Your Oil and Gas News, is delighted to report that the website has experienced tremendous growth. He says: "In just less than five years, the site has attained the number one position in Google for subsea, petrochemical, and oil and gas news.

"With more than 150,000 industry professionals visiting the site each month, creating over 1 million page views, it is

one of the leading industry publications on the net."

A division of Aberdeen-based Red Mist Media, the site provides up-to-the-minute news and information across all subject areas in the industry, with over 500 international companies within the upstream and downstream sectors sending press releases directly for automatic upload to the site. For more details, visit www.youroilandgasnews.com
